Re: Change in File Number, Gold Hill Mill, S/045/049, Tooele County, Utah

Dear Mr. Moeller:

In going through our records we find that we have to change the file number for your small mining permit for the Gold Hill Mill. The Division file number was S/045/091; as of this date that number has been changed to **S/045/049**.

Please make note of this file number change in your records and please reference this new number in any future correspondence regarding the Gold Hill Mill.

If you have any questions regarding this change, please contact me at (801) 538-5291.

Sincerely,

Joelle Burns  
Secretary
